**FOR YOUR/THEIR COMPLIANCE AND  
MANDATORY RESPONSE FORTHWITH, ET AL.**

The Respondent "Walter Chek" is hereafter called "Chek". Chek is in receipt of your "NOTICE OF HEARING" presentment which Chek is returning to you "Accepted for Value (0)" for me to appear on October 17, 2002 at 9:00 AM in the Commissioner Courtroom in Quitman, Texas, signed by DAVID HUDSON, ATTORNEY and JOY PARKER, COURT ADMINISTRATOR. Your letter is dated Sept. 24, 2002. The Pitney Bowes assigned Account number is PB2233799.

This is not a second chance, as you have already defaulted on your first chance which has not been answered. Chek is still on the first case, T-2549, to which you have not responded to nor have rebutted any of my affidavits which were submitted by Chek to you into the 402nd District Court. Chek appeared in 402nd District Court, Quitman, Texas on September 9, 2002 at 09:30 AM to 10:00 AM and that was Chek's time to appear TRCP 537 (Texas Rules of Civil Procedure)). You did not have a case against Chek at that time. There was also no judge assigned to the case at that time. Since you have also not responded to Chek in a timely manner as specified in Chek's previous affidavits, you will be continually time barred from any further action against Chek under international law. Chek is foreclosing on you for failure to recognize my DD-214 in the settlement of this case.

Chek sees no reason why the court should refuse to sign this default judgment for condemnation and show a list of all fixed property and personal property (personalities) under the penalties of perjury under international law of each PERSON on each document in this case WHO REFUSES TO RECOGNIZE DD-214'S IN THE SETTLEMENT OF THIS CASE., unless it is to unduly enrich themselves or their intent to shift the entire liability for the damages to themselves.

Chek will not appear at any of your commissioner courts, as this case was filed ex parte adv. pro. 01-799 against DAVID HUDSON before he filed this case against me. If you say that Chek is in contempt for not going to your hearing, Chek conditionally accept your offer to hold Chek in contempt and put Chek in jail upon proof of claim that you could not tell Chek exactly what Chek should do and say in your court that would allow Chek to protect all of Chek's property rights and all of Chek's property rights without being in contempt, under the penalties of perjury under international law.

You used Chek's name in mixed case in this last letter and on the envelope sent to Chek. In Chek's mixed case name, Walter Chek, Chek is a living, breathing soul, not a partnership, limited partnership or a corporation.
